

KEEP LAWTON BEAUTIFUL!

ENGAGE & VOLUNTEER FOR THE 32ND TRASH OFF EVENT
FOR OUR COMMUNITY!

Valued Community Partner,

The 2021 Trash Off event is scheduled to take place May 8, 2021. During this event, citizens come together to beautify our community by promoting responsible disposal of waste and by picking up litter at public parks, along roads, neighborhoods, lakes and streams. Please consider volunteering for litter pickup! You can do this independently or alongside friends, family or your preferred organization this year! Volunteers receive:

- Bags, gloves & needed items for litter cleanup
- A free t-shirt & free lunch

HOW IT WORKS

Contact Corey Bowen in Neighborhood Services at the City of Lawton (corey.bowen@lawtonok.gov or 580.581.3467) and communicate: Number of volunteers in your group, if applicable; if any volunteers are under the age of 16; what time between 9 a.m. and 2 p.m. on May 8, 2021, you would like to begin your cleanup. Additional information concerning lunch and logistics will be provided to you at that time.

On behalf of the City of Lawton, Lawton Enhancement Trust Authority and Keep Oklahoma Beautiful, we thank you for your consideration!
